

THE HAMILTON INSTITUTE

AT WHEELER

Family Resources

The Hamilton Institute, The Wheeler School, March 2021

The [Hamilton Institute at Wheeler](#) was developed from the proven success and expertise of The Hamilton School in Providence, Rhode Island. The Institute has assembled a collection of suggested resources for parents of children with learning differences.

Books for Parents/Guardians

[Overcoming Dyslexia, 2nd ed.](#) by Sally Shaywitz, M.D.

[The Dyslexic Advantage](#) by Brock L. Eide, M.D. and Fernette F. Eide, M.D.

[Taking Charge of ADHD, 4th ed.](#) by Russell A. Barkley

[The Dyslexia Empowerment Plan](#) by Ben Foss

Websites

[Understood.org](#) is a website geared towards supporting parents and teachers of children with learning differences. This organization sends out a regular email newsletter and updates their website frequently with useful articles as well as opportunities to submit questions.

[International Dyslexia Association](#), also known as IDA, is a non-profit organization dedicated to helping dyslexic individuals and the families and educators who support them. Their website is regularly updated with suggested articles and webinars.

[Decoding Dyslexia](#) is a parent-led grassroots movement across the United States. Their main concern is with the limited access to educational interventions for children with dyslexia in the country's public education system.

[Dyslexic Advantage](#) is a national network connecting people with dyslexia and other learning differences.

[Decoding Dyslexia RI Facebook Group](#) and [Decoding Dyslexia MA Facebook Group](#) are terrific resources. They both serve as very responsive parent/educator messageboards when it comes to needs, questions, recommendations relating to children with dyslexia and other learning differences.

[Headstrong Nation](#) was founded in 2003 by Intel Reader creator, Ben Foss. Headstrong nation is a non-profit dedicated to serving the dyslexic community.

[LD Online](#) provides up-to-date information on learning differences for adolescents, adults, parents, and professionals. There are numerous articles and forums as well as a directory of professionals, schools, products, and more.

[Yale Center for Dyslexia and Creativity](#) Co-founded and co-directed by Sally Shaywitz, M.D., the YCDC strives to illuminate the strengths of those with dyslexia, as well as to disseminate information, practical advice, and the latest research regarding language-based learning differences. This website is a never ending resource.
