Wheeler Lower School and Hamilton School Day Substitute Teacher 2023-24 School Year

Wheeler Lower School (K-5th Grade) offers a creative, joyful, learning experience built on an enriched daily program responsive to your child. Our signature Aerie Approach enables every student to discover, explore and develop personal interests and academic passions that go beyond the curriculum. The experienced teachers in our Lower School are extraordinary, enthusiastic, creative, and deeply invested in your child's success. As a community, students learn to adapt to and work with the full range of emotion, develop greater self-awareness, and through reflection, discover and embrace their own evolving identities. Students also learn to cultivate healthy relationships through compassion, inclusion and valuing multiple perspectives.

The Hamilton School at Wheeler (1st-8th Grade) is a school-within-a-school where skilled faculty meet students' learning differences with the individualized instruction that leads to success. Hamilton students are also taught to advocate for themselves and others with learning differences. Since 1988, the Hamilton School at Wheeler has served elementary and middle school children who have great overall cognitive ability, but who struggle with reading, organization and study skills due to dyslexia, attention-deficit disorder (ADHD), executive function deficits or other learning differences. We believe — and prove daily — that our students can learn these important skills and meet the highest expectations.
