About The Wheeler School:

Founded in 1889 by visionary artist and educator Mary C. Wheeler, The Wheeler School is an N-12 independent day school of approximately 800 students from throughout Greater Providence and Greater Boston. Wheeler's mission, "to learn our powers and be answerable for their use," is incorporated into our classrooms, athletic fields, art studios, and STEAM labs, as students are encouraged to think deeply and explore the world on and beyond our two campuses in the College Hill neighborhood of Providence, Rhode Island and our 120-acre farm in Seekonk, Massachusetts. Across Wheeler's campuses and grades, dedicated faculty and staff identify students' learning path and passions, challenging and supporting them in pursuit of academic excellence, artistic expression, and personal growth. Our graduates are prepared for college and life as creative, ethical, and engaged global citizens. Wheeler is also home to The Hamilton School, where skilled faculty meet students' learning differences with the individualized instruction that leads to success.
